Please note this policies map shows where area-specific policies in the emerging Joint Local Plan 2041 will apply and should be viewed in combination with other relevant maps, in particular Neighbourhood Plans and the Councils' Public GIS system. Policies which apply across the whole plan area, are not shown on the map because they are plan-wide. This map can also be viewed online. At our deposit locations we have provided a booklet showing additional mapping relating to policies in the Joint Local Plan.
