Subject: Response to Examiner

****EXTERNAL****

Dear Ricardo,

In the Examiner's note to the PC dated 30th September, the Examiner stated in the Next Steps section that the PC should provide a timescale for how it intended to proceed by no later than 18th October.

On 5th October the PC wrote to the NDO Steering Group key parties asking them if they wished to reconsider their previous response, as presented at a public meeting on 2nd September. We asked for a response by 14th October latest, and received it on that day.

Unfortunately, the response from the NDO SG parties fails to address - or even be open to addressing - any of the PC's key concerns.

Therefore, in reply to the Examiner, we wish to point out that whilst the Parish Council is open to a revised plan, the Steering Group key parties demonstrably are not. Therefore, we are unable to provide the Examiner with a timescale as requested.

Clifton Hampden Parish Council
