Dear Peter Gerstmann,

STATUTORY CONSULTATION UNDER SECTION 42 OF THE PLANNING ACT 2008.

At: Botley West Solar Farm

(Targeted Consultation 15 August to 15 September 2024).

Thank you for your letter dated 15 August 2024, in relation to a formal targeted consultation for Botley West Solar Farm on a single change to the central site to avoid or minimise environmental effects upon a veteran tree.

This is the response of the Vale of White Horse District Council (VWHDC) to the Statutory Consultation and notification pursuant to Section 42 of the Planning Act 2008 to this targeted consultation for the NSIP project for the Botley West Solar Farm, a large solar farm to the west of Oxford within the districts of West Oxfordshire, Cherwell, and Vale of White Horse.

In compiling this response, VWHDC has had regard to the Botley West Solar Farm Veteran Tree Targeted Consultation Information Change Note and the Botley West Solar Farm Veteran Tree Targeted Consultation Site Location and Order Limits Plan.

The change lies outside the administrative boundary of VWHDC. We therefore have no observations to make on this change.

Yours sincerely,

A handwritten signature in black ink that reads 'S. Walker'.
